a compilation of more than 120 folk songs tales poems and stories telling the history of america and reflecting its multicultural society illustrated by award winning artists

from the very beginning it would seem that god had a plan for america from its discovery by europeans to its settlement from the revolution to manifest destiny from the stirrings of civil unrest to civil war america was on a path in our pluralistic world when textbooks are being rewritten in ways that obscure the judeo christian beginnings of our country the books in the discovering god s plan for america series help ground young readers in a distinctly evangelical way of understanding early american history as young readers look at their nation s development from god s point of view they will begin to have a clearer idea of how much we owe to a very few and how much is still at stake these engaging books bring history alive in a way that will inspire young people to do their important part in shaping this nation into the future

from forests to beaches from swamps to cities there s so much to see and do in america

join a family as they travel from sea to shining sea this wordless picture book features beautiful illustrations that encourage children to use their own words to tell the story developing their language and reading skills this 12 page beginning reading book is ideal for children ages 3 5
