most people don t realize that during the war in europe in the 1940s it took an average of
six support soldiers to make the work of four combat soldiers possible most of what s
available in the literature tends toward combat narratives and yet the support soldiers had
complex and unique experiences as well this book is based on personal correspondence and
it is primarily a memoir that creates a picture of the day to day realities of an individual
soldier told in his own words as much as he could tell under the wartime rules of censorship
that is as well as giving insight into what it was actually like to be an american soldier
during wwii it explores the experiences of a non combat army utilities engineer working in a
combat zone during the war in europe and takes the protagonist from basic training through
various overseas assignments in this case to england north africa and italy as a support
soldier under eisenhower and his successors at allied force headquarters it also includes
some reflections about his life after returning to oregon when the war was over the soldier
involved is captain harold alec daniels osu class of 1939 rotc and most of the letters were
written to his wife mary daniels attended u of o in the late 1930s they are the author s

parents and she inherited the letter collection photos and all other primary source materials after her mother's death in 2006
